

LYNDHURST SECONDARY COLLEGE

Dear Parents and Carers,

I am very excited to confirm that the College will be opening and our students will be back on site before the end of this term. It will be great to have our whole school community back together again, safely of course. I once again want to thank you for all your support during these past few weeks as we have been navigating a new way of Teaching and Learning, while undergoing remote and flexible learning.

Following advice from the Chief Health Officer, the Victorian Government has advised that schools can begin a phased return to on-site schooling.

In the **first stage**, students in Prep, Grade 1 and Grade 2, senior secondary (Year 11 and 12 VCAL and VCE) students and all students in specialist schools will return to school from Tuesday 26 May.

Year 10 students undertaking VCE studies, including VCE VET studies, should also attend school for those classes where practicable. If this is not possible for your child/children, our teachers will make sure the work provided to students attending at school is also provided to your child/children. Can you please advise the College if your child who is in Year 10, will not be able to attend their VCE or VET lesson so that we can organise work to be provided to them. This can be done by contacting their teacher directly.

To support all school staff to prepare for this transition, Monday 25 May will be a pupil-free day.

In the **second stage** of our return to on-site schooling, all other year levels will return to school from Tuesday 9 June.

For those students who cannot be supervised at home and vulnerable children, the existing model of on-site schooling will remain in place during the two-week period from Tuesday 26 May to Tuesday 9 June. There are 8 students who are currently in this situation and have been attending on site. We expect this to remain the same. The current process that we are using to enable parents and carers to indicate the days or part-days for which on-site schooling is required will continue for this two-week period.

All other students in these grades and year levels will continue learning from home until Tuesday 9 June.

Once a year level has returned, all students will be expected to attend school as normal. This means if you choose to keep your child/children home after their year level has returned to on-site schooling, we can no longer support their learning from home.

This does not apply to children who need to be absent for health or medical reasons. For those families, please contact us so we can make an appropriate plan.

This same approach is being taken by all government schools in Victoria.

To support the health and wellbeing of all our students and staff, our school will continue an enhanced cleaning routine and will encourage frequent hand washing.

If your child is ill or is feeling unwell, they must not attend school. They must remain home and seek medical advice.

While the Chief Health Officer has advised that students will not be required to maintain physical distancing at school, there will be a number of important changes to our school operations, consistent

with health advice. This will apply until further notice. I will provide more detail about our local school context as soon as possible, but it is important to note that changes will include:

- adjusted arrangements for drop off and pick up, including staggered school start and finish times may be put in place;
- restrictions on access to the school site for anyone other than immediate school staff and students;
- the way we conduct parent-teacher meetings and interviews

We understand that some families may feel anxious about this move back to classroom teaching and learning. I can assure you that this decision has been taken on the basis of the best health advice available to our state.

More information about the return to school and coronavirus (COVID-19) can be found on the Department's website, which will continue to be updated:

<https://www.education.vic.gov.au/about/department/Pages/coronavirus.aspx>

Thank you for your continued support and patience during this time. We look forward to welcoming our students back to the classroom.

Yours sincerely,

Konnie Prades

Principal
