

## PARENT APPROVAL FORM FOR 2021 VET ENROLMENT

Dear Students and Parent/Carer,

Please find below and on the reverse a permission form to allow the school to assist in your enrolment in a VET course for next year. For a range of reasons which you will see when you look at the checklist below, it is vital that we have your parent/carer's permission before we process your VET enrolment application. Completing this form is only the first step in applying. You may also be required to complete an interview or attend an information session at the TAFE you are intending to apply for.

Before signing this permission form, we ask you to carefully consider the following information. **If you have any concerns, please do not hesitate to contact the VET Coordinator in the Careers Department at the school. Please ensure all pages of this form are completed and returned on Course Counselling Day so that your application may proceed.**

STUDENT NAME: \_\_\_\_\_

2020 HOME GROUP: \_\_\_\_\_

Important things to consider with your parent/guardian before you seek enrolment in a VET course:	Parent / Carer & student tick	Parent / Carer to sign	Counsellor to sign
I have read and considered the information in the online Senior School Handbook			
If I am a VCE student, I have read and understand how the VET course contributes to my VCE and the ATAR			
I have worked out how I will travel safely to and from my VET course location especially if my course may be delivered at night			
I understand that course delivery details may change and that classes may be scheduled outside normal school hours including evenings			
I am committed to purchasing any equipment or clothing required			
I am committed to this course and understand that it will involve a significant theory component			
I am committed to fulfilling any work placement requirements that have to be undertaken			
I understand that materials costs listed in the online Senior School Handbook are a guide only and subject to change			
<b>I understand that the Materials charge must be paid to the LSC General Office on June 25<sup>th</sup> when subject selection forms are due. (Please note a payment plan can be set up with the general office)</b>			
If I am in doubt about whether to go ahead with my enrolment, I will speak to my parents and see the VET Coordinator in the Careers Room immediately			
I understand that there are no guarantees that my VET course application will be successful and that I may have to enrol with a different provider than first hoped.			
If I apply for a VET course and withdraw before February 2021, I will be liable for a non-refundable \$50 administration fee. After this period there is no refund.			
<b>If I withdraw from the VET course after February 2021, I am still liable for all outstanding materials charges</b>			

At this stage, materials costs are being finalised. The fees listed on the last page of this form are based on current year charges and are subject to change. If your VET materials fee has increased, the school will send out an invoice for the outstanding amount. **IF YOUR APPLICATION IS UNSUCCESSFUL, ANY FUNDS RECEIVED WILL BE REFUNDED**

Once this permission to enrol form has been returned to the school together with costs paid, we can process each student's electronic application.

**PLEASE NOTE: Students and parents are reminded that the 2021 Senior Sub School on line Handbook must be referred to when considering enrolment in a VET program.**
