KEEP LEARNING AND STAY CONNECTED

MAKING THE MOST OF REMOTE LEARNING

KEEP LEARNING AND STAY CONNECTED!

Welcome to Issue 5 of 'Connected'

In this issue we take a look back at the final week of remote learning as students in Year 7-10 get ready to return to school next week.

Students onsite were also working hard in a variety of subjects this week.

Thanks to our Wellbeing Team, students and staff embraced Wellbeing Wednesday by getting involved in a number of activities from preparing healthy breakfasts to exercising and making connections with friends.

Don't forget, Monday is a Public Holiday and the school will be closed for the Queens Birthday celebration.

We are really looking forward to welcoming all our students back on Tuesday.
