KEEP LEARNING AND STAY CONNECTED

MAKING THE MOST OF REMOTE LEARNING 2.0

KEEP LEARNING AND STAY CONNECTED!

Welcome to the latest issue of Connected.

We have now just finished remote and flexible learning in week 2.

Its been a busy few weeks getting back into the swing of things but students and families have settled in to their routines.
Well done everyone!

Last week Rio Trio published their first 2.0 episode which can be viewed on the website and we have had more students getting involved in the fitness challenge this week.

In this issue we take a look at students' Artwork, English, Drama and even a remote webinar!
Outdoor Ed students were also enjoying cooking on trangia stoves today.

ENGLISH

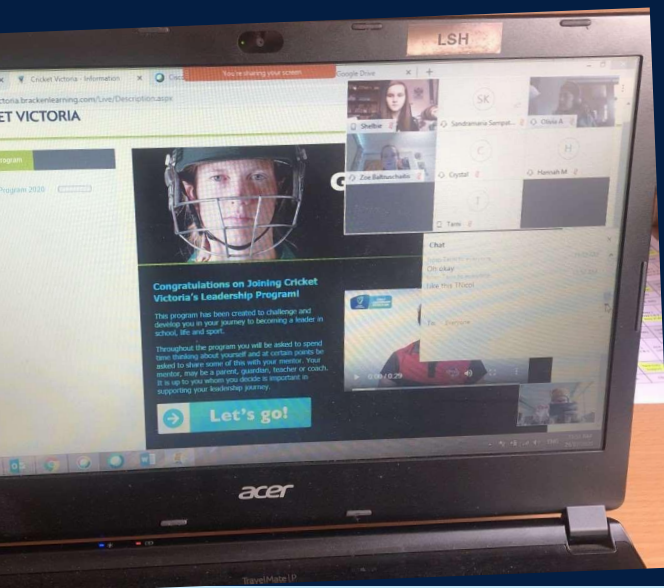

Writing with passion and enthusiasm, thanks William from 7A

When Persephone arrived in Olympus, the sun dull and the earth barren, it was as if she were on another planet. As Demeter saw Persephone, her soul lit up. She had once again seen her daughter, 6 months apart. The grass and plants grew large and green, the sun grew larger and lighter, and heat returned to the planet. Persephone's skin after 6 months of no sun was not prepared for the full blast of the raging ball of fire, burning her skin and the light blinding her eyes. The world, once home, now seemed alien.

DRAMA

Year 9 students were asked to create a short video to experiment with the convention of a 'chorus' in Ancient Greek Comedy Theatre. Take a look at some of the stills.

GIRLS LEADERSHIP PROGRAM

Year 7-8 Girls attended the online Leadership webinar hosted by Cricket Victoria this week.

WHATS COOKING!

Today, VCAL outdoor ed students got a taste of the outdoor lifestyle by cooking on tranga stoves.
