Welcome to the latest issue of Connected.

We have just finished remote and flexible learning in week 4!

Stage 4 restrictions are now familiar and we have stepped up to the challenge!

Today was 'Fun Friday' so we're looking forward to seeing some great photos of you spending time and doing fun things with your families. These will be published in next week's issue.

email your photos to lyndhurst.challenge@gmail.com

In this issue, we CONGRATULATE our first remote SWPBS winners, well done students and keep up the great work!

We also take a look at some artwork from a passionate Year 11 student and review how the fitness challenge has been travelling!

SWPBS

Don't forget, as part of School Wide Positive Behaviour Support (SWPBS), staff acknowledge when students are behaving positively at school. Even though we are learning remotely this term, students are still able to earn acknowledgement points for their behaviour. This could include; completing their online attendance each day, submitting work on time and to a high standard, keeping in contact with their teachers, attending Webex sessions and helping out others. Each week students, who have earned SWPBS acknowledgement points, will go into the draw to win a prize. The more points they receive, the greater their chances of winning are.

CONGRATULATIONS TO THIS WEEK'S WINNERS.
