

# CONNECTED

KEEP LEARNING AND STAY CONNECTED

## MAKING THE MOST OF REMOTE LEARNING 2.0

KEEP LEARNING AND STAY CONNECTED!

Welcome to the latest issue of Connected.

We hope all students had a good break from remote learning over the school holiday.

Well done to all GAT students for your resilience and persistence, your hard work will pay off when you get your results.

As we come to the end of week two, we have welcomed back Year 7, 11 and 12 students to onsite learning. All students in Year 8-10 must remain positive and focused as there is only one more week to go before you can join your peers onsite.

We are looking forward to having all students back on site from Monday 26th October for our final Term of 2020.

Let's start Term Four by congratulating some more of our SWPBS winners.

### CONTENTS

SWPBS

Face Masks

Essay Competition

Back at School

Fitness Challenge

## SWPBS

Don't forget, as part of School Wide Positive Behaviour Support (SWPBS), staff acknowledge when students are behaving positively at school. Even though some of you are onsite and some still learning remotely, students are still able to earn acknowledgement points for their behaviour. This could include; completing their online attendance each day, submitting work on time and to a high standard, keeping in contact with their teachers, attending Webex sessions and helping out others. For students onsite, it will include, wearing your uniform correctly, arriving to class on time and bringing the correct equipment. Students who earn SWPBS acknowledgement points, will go into the draw to win a prize. The more points you receive, the greater your chances of winning are.

## CONGRATULATIONS TO THE WINNERS FOR THE START OF TERM FOUR!

**Year 7- Oliver Sime**

**Year 8 - Hannah Smith**

**Year 9 - Clyrene Gurra**

**Year 10 - Sahil Abbasi**

**Year 11 - Alana Eldo**

**Year 12 - Jarold Tagaloa**

**Well done, keep up the great work!**

## Face masks galore!

To continue on with the great work our VCAL students started in Term three, Miss Kite, Miss Shaw and Mrs Carroll made almost 500 masks during Stage Four Restrictions. The masks have been put into envelopes and posted out to all Year 7 to 10 students.

Hopefully, you should be receiving them soon if not already.

Don't worry if the elastic is the wrong size, please just bring your mask to C2/C5 when back onsite for alteration.

# Essay Writing Competition

During the last school holidays, four students from Lyndhurst Secondary College participated in the Essay Writing Competition conducted by the Consulate of India, Melbourne.

Great work students, well done everyone!

Their work was published on the Consulate's Facebook page.

Today, we received confirmation from the Indian Consulate that Olivia A, in Year 7, has won this essay competition.

**CONGRATULATIONS OLIVIA!**

A fantastic achievement.

(click the image to visit facebook and read their work.)

## Back to School

### Design & Technology

Some innovative D & T creations from our VCAL students onsite this week!

It's great to see some students back at school this week.  
We're also looking forward to welcoming Year 8, 9 & 10 students on 26th!

# Library Procedures for Term 4

## THE LIBRARY SPACE

The library will be open before school at 8.30, during Recess and Lunch, and briefly after school.

The Library staff or cleaners will disinfect tables after recess, lunch and at the end of the day.

Students and staff will be asked to use the sanitiser when they enter and leave the library. Students and staff are asked to practise social distancing in the library.

There are distance markings at the front desk and photocopier for patrons to respect.

Students may not sit at or use the library computers; they may bring their own computers to use in the library.

The library will have a limit of 30 patrons at any one time, at that point the door will be closed and students will be asked to wait patiently outside.

There will be only 2 students at each table. Students are not to gather in groups, and not to gather at the front desk.

At the moment our Library Monitors will not be working in the library.

There will be no games available for use in or borrowing from the library.

## RETURNS AND BORROWINGS

Book returns will be placed in a trolley and 'isolated' for three days, these will then be returned out of names, wiped, and shelved.

Students will not be able to browse the shelves for books as this usually requires a lot of handling, so students are to use the Oliver Library Resources link on Compass to browse the collection selecting the books they would like to borrow and putting a Reservation on them. Students will need to be logged in to enable reservations. See Ms Fitzgerald if this is a problem.

At the end of each day Library Staff will find the books, put them in your name, and have them ready for pick up from the front desk - a "click and collect" system.

The books will be held for 1 week then returned to the shelves if not collected.

**No laptops or other equipment will be lent for the rest of Term four.  
Students are expected to bring their own, fully charged, every day.**

## FITNESS CHALLENGE RESULTS

It may seem like weeks ago, but below are the results for the final week of the Staff vs Students challenge.

There will be a more detailed breakdown in this year's College Yearbook along with top distances travelled by individuals.

Thank you for everyone who took part in the challenge.

It isn't easy motivating yourself to get up and start moving at times and the distances we have achieved as a school shows great resilience and will power.

The staff in week 9 travelled a total distance of 368.73 km & the students travelled 278.35 km. This means that the staff won the week 9 challenge taking the overall total to a 8:1 victory to the staff.

### Congratulations staff.

The top 3 distances covered by staff in week 9 were:

A Verrell: 101.2 km

G Atkin: 75.11 km

J Cook: 40.2 km

The top 3 distances covered by the students were:

T Nicoll: 57.01 km

O Argaet: 27.06 km

S Noble: 18.71 km

The winner of the final \$20 rebel sport gift voucher for uploading 2 or more workouts in the last week is awarded to Jeremiah A. Congratulations.

Total distances:

After 9 weeks of exercise the staff recorded a total of 4740 Km.

The students recorded 4234 Km. Meaning the winners of the challenge is the staff. It is only a difference of 506 Km, which is extremely close.

As a school we travelled 8974 Km!!!! To put that into perspective it is 8929 km from Cranbourne to Hawaii. How we all wish we could be there right now!

This is an amazing effort. Well done to everybody who was involved in this challenge and I hope we can all see each other again at school very soon.

Monday 19th October 2020

# PARENT TEACHER CONFERENCES

Interviews available during the school day via Webex

We will be conducting Parent Teacher Conferences via Webex on Monday October 19 between 9am to 3pm and then 4pm to 6.30pm  
Bookings are essential and can be made on Compass.

The conferences will be available during the school day via Webex.  
Links to individual teachers will be available once bookings are made.

This is an opportunity for parents and carers to check in with staff and have a 5 minute conference in relation to their son or daughter's learning during semester two.

Please log on to Compass and on the newsfeed there will be a booking link.  
Click on the 'Start booking now' to select a time OR 'Show me how to book' to understand the process.

If you have any questions, please contact the office on Ph.5996 0144
