

LYNDHURST SECONDARY COLLEGE

Dear Parents and Guardians

The purpose of this communication is to provide you with an update after yesterday's announcement about students returning to onsite learning. More information for families about arrangements on the school site will be communicated to you later this week.

On Monday 12th October, we welcome back our Year 7 students as well as the Year 11 and 12 VCE students. All students in Year 8 – 10 will remain on remote learning until Thursday 22nd of October (Friday 23rd of October is a public holiday).

All students from Year 8 – 10 will be returning to on site learning from Monday 26th of October. It will be great to have our whole school community back on site before the end of October and we are excited to welcome everybody back.

There will of course be protocols in place to keep everybody safe. I will communicate all the guidelines and protocols to you later this week.

Stay Safe everyone

Regards

Konnie
Principal
