KEEP LEARNING AND STAY CONNECTED!

Welcome to the latest issue of Connected.

As students settle back into learning at school, we are enjoying having everyone back onsite.

As we come to the end of week four, and our senior students finish up and prepare for their exams, we plan for end of year activities such as a graduation ceremony like no other and various onsite activities for middle and junior school students.

Friday was Celebration Day for our Year 12 students who have had an extremely difficult year and, we commend them for their resilience and maturity during this time as we do all our other students.

Let's continue Term Four by congratulating some more of our SWPBS winners and the winner of our R U OK Day cartoon competition.

Back at School

SWPBS

Don't forget, as part of School Wide Positive Behaviour Support (SWPBS), staff acknowledge when students are behaving positively at school. We are all back onsite now so don't forget, students are able to earn acknowledgement points for their behaviour. This could include; completing work on time and to a high standard, wearing your uniform correctly, arriving to class on time and bringing the correct equipment. Students who earn SWPBS acknowledgement points, will go into the draw to win a prize. The more points you receive, the greater your chances of winning are.

CONGRATULATIONS TO THE WINNERS THIS WEEK!

Year 7 - CJ Tarai Te-Rehu
Year 8 - Sarallah Mousavi
Year 9 - Tristan Shoesmith
Year 10 - Mehdi Alizada

Well done
Keep up the great work!

Hindi

This week in Hindi class, Year 8's learnt about Festival of Navratri. It is a Hindu festival that spans over 9 nights and ten days. The festival involves religious fasting and special dances - Garba and Dandiya. Dandiya is dancing with sticks.

As a part of the lesson students learnt some dance steps and made their own dandiya sticks using colored paper.
