VCAL Disclaimer

By signing below all parties acknowledge that the VCAL program is not available in 2023 under the new Senior Education changes as specified by VCAA.

If completing your year 12 schooling in 2023, you will be completing a VCE - Vocational Specialisation, where a VET and work placement is mandatory. In the event you cannot get one or either you will be moved to a mainstream VCE pathway.

Please note there is an additional \$200 fee associated to the VCAL course
