

Application to use personal device at school

I have read the BYOD terms and conditions and the Office 365 information sheet and the Acceptable Use Agreement carefully and understand the significance of each. I agree to abide by the terms and conditions specified in these documents. I understand that any breach of these terms may result in disciplinary action and mobile technology access privileges being suspended or revoked.

Student Name: _____ Student Code: _____

Student Signature: _____ Parent Signature: _____

Date: _____

Computer Brand: _____ Computer Model: _____

Serial Number: _____ Operating System: _____

- Screen size must be at least 9.7 inches. *Mobile phones and smaller tablets are unsuitable.*
- Devices must be able to hold charge for the day
- Android tablets & Chromebooks DON'T meet these requirements

Student Agreement

When I use digital technology at school I agree to:

- Be a safe, responsible and ethical user whenever and wherever I use it
- Support others by being respectful in how I communicate with them and never write or participate in online bullying including the forwarding of messages and the support of others in harmful, inappropriate or hurtful online behaviour
- Talk to a teacher if I feel uncomfortable or unsafe online or see others participate in unsafe, inappropriate or hurtful online behaviour

- Seek to understand the terms and conditions of websites and online communities and be aware that the content that I upload or post is part of my digital presence
- Protect my privacy rights and those of other students by not giving out personal details including names, contact details and images
- Use the internet for educational purposes, use all equipment in accordance with school policies
- Use social networking sites for educational purposes and only when and as directed by teachers
- Abide by copyright procedures when using content on websites (ask permission to use images, text, audio and video and cite references where necessary)
- Think critically about other users' intellectual property and how I use content posted on the internet.
- Not interfere with network security, the data of another user or attempt to log into the network with a user name or password of another user
- To keep my password confidential and not to reveal it to anyone except the system administrator or the teacher as directed
