Dear Parent/Carer,

We are once again very proud to present the *Lyndhurst Secondary College Scholarship Program* to the community.

We are a College that explicitly seeks to empower students for learning and life through our values of Commitment, Excellence, Integrity and Respect, which are further defined by an overarching belief in high expectations for all. We are dedicated to these values and utilise them to encourage and sustain successful educational outcomes for all students.

The College therefore provides opportunities to celebrate the success and dedication of individual students via our scholarship program, which is open to all students enrolled to attend Lyndhurst Secondary College in 2022.

Scholarships are available in a range of areas, both to students who demonstrate outstanding endeavour and to students who demonstrate outstanding talent in a particular field.

I encourage you to take a few moments to read the enclosed information together with your child, so that you can discover the opportunities available through our program.
