Dear parent/guardian,

Lyndhurst Secondary College is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. We understand the costs associated with schooling can be difficult for families and we endeavour to keep contributions to a minimum. Where appropriate we have moved away from the traditional high-cost textbook in favour of online learning. We seek your support through these contributions in order to continue offering a full program at a low cost to parents.

This document provides detailed information on contributions, how to make payment and what you can do if experiencing financial difficulty.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Eloise Haynes
Principal

William Noble
School Council President
