

PARENT APPROVAL FORM FOR 2023 VET ENROLMENT

Dear Students and Parent/Carer,

Please find below and on the reverse a permission form to allow the school to assist in your enrolment in a VET course for next year. For a range of reasons which you will see when you look at the checklist below, it is vital that we have your parent/carer's permission before we process your VET enrolment application. Completing this form is only the first step in applying. You may also be required to complete an interview or attend an information session at the TAFE you are intending to apply for.

Before signing this permission form, we ask you to carefully consider the following information. **If you have any concerns, please do not hesitate to contact the VET Coordinator in the Careers Office at the school. Please ensure all pages of this form are completed and returned on Course Counselling Day so that your application may proceed.**

STUDENT NAME: _____

2022 HOME GROUP: _____

Important things to consider with your parent/guardian before you seek enrolment in a VET course:	Parent / Carer & student tick	Parent / Carer to sign	Counsellor to sign
I have read and considered the information in the online Senior School Handbook			
I understand that I may need to complete an interview or attend an information session at TAFE			
If I am a VCE student, I have read and understand how the VET course contributes to my VCE and the ATAR			
I have worked out how I will travel safely to and from my VET course location especially if my course may be delivered at night			
I understand that course delivery details may change and that classes may be scheduled outside normal school hours including evenings			
I am committed to purchasing any equipment or clothing required			
I am committed to this course and understand that it will involve a significant theory component			
I am committed to fulfilling any work placement requirements that have to be undertaken			
If I am in doubt about whether to go ahead with my enrolment, I will speak to my parents and see the VET Coordinator in the Careers Room immediately			
I understand that there are no guarantees that my VET course application will be successful and that I may have to enrol with a different provider than first hoped.			

PLEASE NOTE: Students and parents are reminded that the 2023 Senior Sub School on line Handbook must be referred to when considering enrolment in a VET program.
