VET Course: (Optional. Please attach enrolment form.)

By enrolling in VCE VM, you acknowledge that VET and Structured Workplace Learning (SWL) are mandatory components of the course. VET courses will run Wednesdays or Fridays. Students must arrange their SWL for either the Wednesday or Friday alternate to their TAFE day.

Please note there are additional costs of approximately \$200 associated with excursions and incursions as part of the VCE VM, payable as events are finalised prior to and throughout 2023. Camps are a further cost. Eligible families can use their CSEF.
