

PARENT APPROVAL FORM FOR 2024 VET ENROLMENT

Dear Students and Parent/Carer,

Please find below and on the reverse a permission form to allow the school to assist in your enrolment in a VET course for next year. For a range of reasons which you will see when you look at the checklist below, it is vital that we have your parent/carer’s permission before we process your VET enrolment application. Completing this form is only the first step in applying. You may also be required to complete an interview or attend an information session at the TAFE you are intending to apply for.

Before signing this permission form, we ask you to carefully consider the following information. **If you have any concerns, please do not hesitate to contact the VET Coordinator in the Careers Department at the school. Please ensure all pages of this form are completed and returned on Course Counselling Day so that your application may proceed.**

STUDENT NAME: _____

2023 HOME GROUP: _____

Important things to consider with your parent/guardian before you seek enrolment in a VET course:	Parent / Carer & student tick	Parent / Carer to sign	Counsellor to sign
I have read and considered the information in the online Senior School Handbook			
If I am a VCE student, I have read and understand how the VET course contributes to my VCE and the ATAR			
I have worked out how I will travel safely to and from my VET course location especially if my course may be delivered at night			
I understand that course delivery details may change and that classes may be scheduled outside normal school hours including evenings			
I am committed to purchasing any equipment or clothing required			
I am committed to this course and understand that it will involve a significant theory component			
I am committed to fulfilling any work placement requirements that have to be undertaken			
If I am in doubt about whether to go ahead with my enrolment, I will speak to my parents and see the VET Coordinator in the Careers Room immediately			
I understand that there are no guarantees that my VET course application will be successful and that I may have to enrol with a different provider than first hoped.			

Once this permission to enrol form has been returned to the school, we can process each student’s electronic application.

PLEASE NOTE: Students and parents are reminded that the 2024 Senior Sub School on line Handbook must be referred to when considering enrolment in a VET program.

VETiS PROGRAM - STUDENT APPLICATION FORM Year level 2023YR 10 / VCE / VCE VM
